

## Directions and contact details

Leaving Larnaca Airport complex you will come to a roundabout which is signposted right Larnaca and left to Mazotos, take the 1<sup>st</sup> exit to Mazotos. Go straight over next two roundabouts towards Kiti and you will come to a set of lights at the end of the carriageway. Turn left to Kiti and you will quickly come to a T junction. Turn right to Kiti (4 km). Stay on this road through the town and over speed humps until you see a Petrolina petrol station on your left then turn immediately right to Tersefanou (also signposted Art Museum 10km).

After approx 0.6km turn right to Tersefanou & Kiti Dam and after approx 1.4km (pass a '50' speed sign then pass 'Built up Area' sign) take a left. **For the villa** approx 100m (after 5 telegraph poles) take another left onto an unmade road and Helen of Troy Gardens is ahead on the left. Enter through the gates and no.8 is on the right seven villa's along. (there is not a no.5!).

When leaving please leave the gate control just inside the back door for the next guests. There is a spare battery in the draw below the cutlery draw.

**For the apartments do NOT turn left** after the 5 telegraph poles but continue straight ahead for a further 450 meters and Green Valley complex is on your right. The one bedroom is block A (furthest block along), the two bedroom is block B. Parking is at ground level under the apartments - both are number 107.

Take the elevator to the first floor.

Please respect the other guests if arriving in the night.
