

Directions and contact details

From Paphos airport exit the airport turning left out of car park keeping the sea on your right. Continue along until you reach T junction then turn right towards Lemesos (Limasol). After 1 km turn left to Lemesos then at roundabout take last exit to Lemesos via motorway. After 50 km you will see sign to Larnaka, keep going on A1 avoiding left hand lane, after a further 10 km there may be a roundabout (depending on whether or not roadworks are complete) go straight on to Larnaka. After 35 km the road will split (Junction 12) take left hand lane onto A5 Larnaka. After 15 km Junction 42 (Klavdia) turn off and at T junction turn right down to next T junction then turn right again to Alethriko. Within 0.5km turn left to Tersefanou, you will see the sea ahead of you (in daylight!). Follow winding road for 4 km passing Regal Gardens complex on left on brow of hill and down to **stop** sign. Turn right for 1 km passing shop and bank on right continuing through town past church on right go over 3 speed humps then fork right, after 0.2km you will come to crossroads **turn right for Green Valley** which is 450m along on the right.

The one bedroom is block A (furthest block along), the two bedroom is block B. Parking is at ground level under the apartments - both are number 107. Take the elevator to the first floor.

Please respect the other guests if arriving in the night.

For Helen of Troy do not turn right at crossroads but go straight ahead and you will find the complex approx 0.2km ahead on your left. You will need to enter the complex on foot in order to collect the electronic gate control from the villa which will be on the kitchen side just inside the back door. The gates open inwards! When leaving please leave the gate control just inside the back door for the next guests. There is a spare battery in the draw below the cutlery draw. Enter through the gates and no.8 is on the right seven villa's along. (there is not a no.5!). When leaving please leave the gate control just inside the back door for the next guests. Please respect the other guests if arriving in the night.

If you need help please contact myself ; David Copson on 07977 586 277 if this is not possible;
